Benefits**

**Senate Bill 293
NOW!**

**What will happen if
Senate Bill 293 passes,
and Michigan's Auto
No-Fault Insurance Law
Changes?**

- Michigan will experience massive job loss in areas such as hospitals, residential care facilities, transportation companies, workshops, and manufacturer suppliers. This will cost Michigan over 5000 jobs and over \$800 million dollars.
- Michigan residents will lose the best auto related medical insurance coverage in the nation.
- The loss of unlimited medical coverage will result in major financial burdens and a lower quality of life for anyone injured in an accident.

**There is NO guarantee
of lower rates for
Michigan Drivers!**
